Thanks.

I figured you'd rope in others, which is good. I spoke to Tim briefly on the earlier letter.

Just let us know what works for everyone. If you can come up with two time options, that may help here.

Mick.....this issue is now "way above me" in terms of involvement.....I will get back with you later today on times/dates.....but, Cindy DeWulf (my boss and SERC Co-Chair) and Tim Kern (Ohio Assistant Attorney General who sits on our SERC) will be tied into your conference call. Additionally, the other SERC Co-chair from our Ohio Emergency Management Agency may also want to be included.

Hi Jeff,

As you know, R5 is preparing a response to the Sierra Club letter campaign Jim Entzminger has discussed with you.

Branch Chief Sharon Jaffess, Jim and I would like to touch base with you next week before we finalize the letter and get the latest from you on some possible Ohio communication with the regulated community.

Are there a couple of time blocks that work for you next week? (Keep in mind the time zones.) Thanks.
